ALBA ROAD PM 1.58 STORM DAMAGE REPAIR PROJECT UPDATE

The County of Santa Cruz Department of Public Works has announced that storm damage repairs have commenced at post mile 1.58 on Alba Road, which will continue to be subject to a lane closure and traffic delays. Intermittent full road closures may be necessary. On days when a full road closure becomes necessary, a sign will be posted at both ends of Alba Road indicating this. Work began on Monday, May 24, 2021, and is expected to run through the end of August, 2021, weather permitting. This lane closure and delay is necessary for construction of a soldier pile retaining wall and roadway improvements. The Department of Public Works would like the motoring public to avoid these areas if possible and to expect delays. Please use the posted detours on days that a road closure is indicated.

Up-to-date information on County maintained roads in Santa Cruz County is available online at <http://www.sccroadclosure.org/>.
