## —CONSTRUCTION NOTICE— 2022 Sewer Pipe Repair Project

### TENTATIVE CONSTRUCTION SCHEDULE

Estimated Start Date: April, 2023  
Estimated Completion: June, 2023  
Typical Working Hours: 8:00 A.M. to 5:00 P.M.

### SCOPE OF WORK

The project will replace approximately 1,035 linear feet of sewer mains, replace one manhole, line three manholes, reconnect existing laterals, and slurry sealing over 2,835 square yards of 43<sup>rd</sup> Avenue and Mattison Lane. Construction will occur within the existing road right-of-way.

### AFFECTED STREETS

See attached Vicinity Map

### WHAT TO EXPECT

At times during the project, residents in the area should expect noise, dust, temporary traffic control and detours, and associated traffic delays. Access to driveways may be temporarily blocked during construction. In addition, sewer service to properties in these areas may be temporarily interrupted during working hours.

Residents in the affected construction areas will be given advanced notice prior to any work impacting their driveways or sewer service. Access to businesses in the area will be maintained throughout each phase of construction.

THANK YOU IN ADVANCE FOR YOUR COOPERATION!
