

SANTA CRUZ COUNTY SANITATION DISTRICT

—PROJECT INFORMATION— ARANA TRUNK LINE SEWER REPLACEMENT, PHASE 1

TENTATIVE CONSTRUCTION SCHEDULE

Starting in 2023.

SCOPE OF WORK

Replacement and rehabilitation of approximately 1,688 linear feet of aging and deteriorating sanitary sewer trunk line and replacement and rehabilitation of sewer manholes along Arana Gulch, near Highway 1 at Soquel Drive.

AFFECTED STREETS

See attached Vicinity Map

WHAT TO EXPECT

At times during the project, residents in the area should expect noise, dust, temporary traffic control and detours, and associated traffic delays. Access to driveways may be temporarily blocked during construction. In addition, sewer service to properties in these areas may be temporarily interrupted during working hours.

THANK YOU IN ADVANCE FOR YOUR COOPERATION!
