

SANTA CRUZ COUNTY SANITATION DISTRICT

—PROJECT INFORMATION— FLUSH TRUCK FILL STATION

TENTATIVE CONSTRUCTION SCHEDULE

Starting in 2023.

SCOPE OF WORK

Installation of a wharf hydrant fill station, appurtenances and a roadside pull out on Cabrillo College Drive in Aptos.

AFFECTED STREETS

See attached Vicinity Map

WHAT TO EXPECT

At times during the project, residents in the area should expect noise, dust, temporary traffic control and detours, and associated traffic delays. Access to driveways may be temporarily blocked during construction. In addition, sewer service to properties in these areas may be temporarily interrupted during working hours.

THANK YOU IN ADVANCE FOR YOUR COOPERATION!
