

SANTA CRUZ COUNTY SANITATION DISTRICT

—CONSTRUCTION NOTICE— Upper Rodeo Gulch Sewer Rehabilitation Project

TENTATIVE CONSTRUCTION SCHEDULE

Estimated Start Date: June 2024

Estimated Completion: December 2024

SCOPE OF WORK

Work includes trenchless lining of 4,900 linear feet of sewer mains along the gulch, 340 linear feet of sewer replacement, sewer bridge rehabilitation work, associate manhole improvements, and reconnection of existing laterals.

AFFECTED AREAS

WHAT TO EXPECT

At times during the project, residents in the area should expect noise, dust, temporary traffic control and detours, and associated traffic delays. Access to driveways may be temporarily blocked during construction. In addition, sewer service to properties in these areas may be temporarily interrupted during working hours. Residents in the affected construction areas will be given advanced notice prior to any work impacting their driveways or sewer service. Access to businesses in the area will be maintained.

THANK YOU IN ADVANCE FOR YOUR COOPERATION!
